SendGrid API Key created

The screenshot shows the SendGrid web interface at the URL `app.sendgrid.com/settings/api_keys`. On the left is a sidebar menu with the user name "Nanda Kumar" at the top, followed by links to Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, and Settings. Under the Settings section, there are links for Account Details, Alert Settings, API Keys (which is highlighted), Inbound Parse, IP Access Management, and IP Addresses. The main content area displays a confirmation message: "API Key Created" with a key icon. Below this, it says "Please copy this key and save it somewhere safe. For security reasons, we cannot show it to you again". The API key itself is shown in a grey box: `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`. A "Done" button is located at the bottom of the key display box.
